

Work Experience

09/2017 — present

Scientific Manager, EBPI, Zurich, Switzerland

- *Developing, implementing, and monitoring the progress of institute-wide strategic plan*
- *Coordinating and tracking grant submissions between funding bodies and institute staff of 200 persons for an annual budget of CHF 10 million*
- *Expanding the PhD program in Epidemiology and Biostatistics by supporting academic career development program and running ongoing needs assessment from students and faculty*
- *Internal and external communication*
- *Event management*
- *Representing the EBPI at meetings, workshops and other events*

06/2016 — present

Consultant, GroundWork Health, Switzerland

- *Administrative support*
- *Accounting*

04/2009 — 08/2017

Scientist, Agroscope, Bern, Switzerland

- *Planning, implementation, analysis, and interpretation of scientific projects in the area of nutrition studies (specific keywords: biological interpretation of gene expression data, BigData, dairy products and health, personalized nutrition) and qualitative and quantitative consumer research concerning the nutrition behaviour of the Swiss elderly*
- *Literature research*
- *Knowledge transfer and scientific communication: writing scientific and practice-oriented publications and reviews, oral communications and poster presentations at national and international conferences*
- *Networking*
- *Contribution to the acquisition third-party funds*
- *Maintenance of website contents*
- *Laboratory work with biological materials*

01/2009 — 04/2009

Scientific Assistant (laboratory), ETH, Zurich, Switzerland

- *Topic: „Comparison of gut microbiota in iron-treated and placebo-treated children of Cote d'Ivoire“*

08/2005 — 02/2008

Intern and scientific assistant, several institutions and places, in parallel with studies

- World Health Organisation (WHO), Geneva, Switzerland
 - *Up-date of global BMI database*
 - *Determination of cut-off values for waist-to-hip ratio and their link to diabetes mellitus type 2 and cardiovascular heart disease*
 - *Scientific literature research*
- Friedrich-Schiller-University (department for human nutrition), Jena, Germany
 - *Laboratory work and term paper*
 - *Topic: "Apoptose-protein determination in palmitate-treated cancer cells"*
- Friedrich-Schiller-University (department for biology), Jena
 - *Supervision of students during their practical training in biochemistry*
- German Institute of Human Nutrition, Potsdam, Germany
 - *Laboratory work*
 - *Cloning of human olfactory receptors, calcium-fluorescence experiments*

Education

10/2003 — 01/2009

Studies of nutrition sciences, Friedrich-Schiller-University, Jena

- *Degree: Diploma*
- *Diploma thesis, ETH, Zurich*
Topic: „Ferritin quantification in different genotypes of beans, maize, rice and wheat biofortified with iron“

DOREEN GILLE, MSc.

Hirschengraben 84
8001 Zurich

phone: +41 44 634 46 43
Email: doreen.gille@uzh.ch

09/2007 — 02/2008 Erasmus semester, University of Geneva, Geneva

09/1995 — 09/2003 Municipal high school, Germany

Trainings

08/2016 GCP course, Clinical Trial Unit, Bern

02/2011 — 03/2011 Short-time scientific mission within the "Feed for Health" COST Action, Tromsø, Norway

- *Training in quantitative and qualitative consumer research*

Miscellaneous

Languages German (*native language*), English (*fluent*), French (*good command*)

Computer literacy Microsoft Office, Reference Manager & Endnote, Systat, R (*basic*)

Publication list (extract, date: August 2017)

2017

D Gille and B Walther, L Egger: Lactose, galactose and glucose quantification in Swiss dairy products (in preparation)

Co-author of a review: Biomarkers of food intake. Genes and Nutrition (in preparation)

G Vergeres and D Gille: Personalisierte Ernährung. Schweizer Zeitschrift für Ernährungsmedizin 04/2017

D Gille, N Zangger, C Soneson, U Bütikofer, M Delorenzi, F Schwander, KA Kopf-Bolanz, M Chollet, B Walther, K Laederach, G Vergeres: Caloric-dose responsive genes in blood cells differentiate the status of obese men. Journal of Nutritional Biochemistry 03/2017; 43(2017)

A Schmid, D Gille, U Bütikofer, M Chollet, A Schmid, T Altintzoglou, P Honkanen, H Stoffers, B Walther, P Piccinali: Meat consumption in Swiss elderly. Food and Nutrition Research 02/2017 (accepted)

2016

D Gille and G Vergeres: Nutri-Epigenetik: Der Zusammenhang zwischen Ernährung und Genetik. Schweizer Zeitschrift für Ernährungsmedizin 07/2016

D Gille: Milchprodukte zeigen entzündungshemmendes Potenzial. Swissmilk Newsletter 07/2016

D Gille, U Bütikofer, M Chollet, A Schmid, T Altintzoglou, P Honkanen, H Stoffers, B Walther, P Piccinali: Nutrition behavior of the middle-aged and elderly: Compliance with dietary recommendations of the food pyramid. Clinical Nutrition 06/2016; 35(3)

B Walther, G Vergeres, D Gille: Mangelernährung im Alter – eine komplexe Problematik. Schweizer Zeitschrift für Ernährungsmedizin 01/2016

2015

D Gille, A Schmid, B Walther: Tierische Lebensmittel auf den Tellern der Schweizer Generation 50+. Swissmilk Newsletter 12/2015

D Gille: Laktoseintoleranz – neue App unterstützt im Alltag. Schweizer Zeitschrift für Ernährungsmedizin 07/2015

A Schmid, N Petry, B Walther, W Bütikofer, W Luginbühl, D Gille, M Chollet, PG McTernan, MAM Gijs, N Vionet, FP Pralong, K Laederach, G Vergeres: Inflammatory and metabolic responses to high-fat meals with and without dairy products in men. British Journal of Nutrition 05/2015; 113(12)

D Remond, DR Shahar, D Gille, P Pinto, J Kachal, M-A Peyron, C Nunes, D Santos, B Walther, A Bordoni, D Dupont, L Tomas-Cobos, G Vergeres: Understanding the gastrointestinal tract of the elderly to develop dietary solutions that prevent malnutrition. Oncotarget 05/2015; 6(17)

D Gille and A Schmid: Vitamin B12 in meat and dairy products. Nutrition Reviews 02/2015; 73(2)

A Bordoni, F Danesi, D Dardevet, D Dupont, A Fernandez, D Gille, C Nunes dos Santos, P Pinto, R Re, D Remond, D Shahar, G Vergères: Dairy products and inflammation: a review of the clinical evidence. Critical Reviews in Food Science and Nutrition 01/2015 (in press)

D Gille: Wie nützlich sind Ernährungsempfehlungen für die Generation 50+?. Schweizer Zeitschrift für Ernährungsmedizin 01/2015

M Chollet, D Gille, P Piccinali, U Bütikofer, A Schmid, H Stoffers, B Walther: Beliefs and concerns about dairy products in the Swiss older adult population. Nutrition and Food Sciences 1/2015; 5(3)

2014

M Hoppler, I Egli, N Petry, D Gille, C Zeder, T Walczyk, MW Blair, RF Hurrell: Iron speciation in beans (*Phaseolus vulgaris*) biofortified by common breeding. Journal of Food Science 08/2014; 79(9)

D Gille und A Schmid: Vitamin B12 in Milch- und Fleischprodukten. Alimenta 08/2014

M Chollet, D Gille, P Piccinali, U Bütikofer, A Schmid, H Stoffers, T Altintzoglou, B Walther: Short communication: Dairy consumption among middle-aged and elderly adults in Switzerland. Journal of Dairy Science 07/2014; 97(9)

DOREEN GILLE, MSc.

Email: doreen.gille@uzh.ch

2013

M Chollet, [D Gille](#), A Schmid, B Walther, P Piccinali: Acceptance of sugar reduction in flavoured yogurt. *Journal of Dairy Science* 07/2013; 96(9)

[D Gille](#): Fermentierte Milchprodukte trotz Laktoseintoleranz!. *Schweizer Zeitschrift für Ernährungsmedizin* 07/2013

2012

G Vergeres, B Bogicevic, C Buri, S Carrara, M Chollet, L Corbino-Giunta, L Egger, [D Gille](#), K Kopf-Bolanz, K Laederach, R Portmann, Q Ramadan, J Ramsden, F Schwander, P Silacci, B Walther, M Gijs: The NutriChip project-translating technology into nutritional knowledge. *British Journal of Nutrition* 09/2012; 108(5)

B Walther, [D Gille](#), G Vergeres: Nutrigenomik – State of the art. *Schweizer Zeitschrift für Ernährungsmedizin* 01/2012

[D Gille](#), P Piccinali, C Brombach: Milch- und Zwischenmahlzeitenkonsum der Schweizer Generation 50+. *Ernährung im Fokus* 01/2012, 12-01

2011

[D Gille](#): Ziegenmilch tut auch den Menschen gut. *Lebensmittel-Technologie* 09/2011

[D Gille](#) und B Walther: Wie reguliert Milch das Gewicht?. *Schweizer Zeitschrift für Ernährungsmedizin* 07/2011

[D Gille](#): Gesättigte Fettsäuren und Laktoferrin – potenzielle Knochenbauer?. *Schweizer Zeitschrift für Ernährungsmedizin* 05/2011

2010

A Bosshart, [D Gille](#), L Egger: Problemzucker Laktose. *Alimenta* 12/2010

[D Gille](#): Milch als Sportgetränk?. *Swissmilk Newsletter* 12/2010

[D Gille](#): Overview of the physiological changes and optimal diet in the golden age generation over 50. *European Review of Aging and Physical Activity* 04/2010; 7(1)

2009

[D Gille](#) und P Piccinali: Physiologische Veränderungen und Konsumverhalten der Generation 50+. *Deutsche Molkerei Zeitung* 10/2009; 21

[D Gille](#): Die Homogenisierung der Milch – eine Gesundheitsgefährdung?. *Lebensmittel-Technologie* 06/2009

Presentations

Proteins in human nutrition

Food and Nutrition Cluster, 13 October 2016, Zollikofen, Switzerland

Identification of nutritional health biomarkers for metabolic flexibility

NuGoWeek 2014, 9-11 September 2014, Naples, Italy

Laktoseintoleranz

Lecture series at Bern University of Applied Sciences, 2013-2015, Bern

Lactose intolerance

Feed Your Knowledge, 7-8 June 2012, Copenhagen, Denmark

Biogene Amine

Lecture series at Bern University of Applied Sciences, 2011-2013, Bern

Lactose intolerance

Milk Conference, 12-13 September 2011, Bern

Laktoseintoleranz – Noch immer ein Problem?

Schweizer Milchproduzenten (SMP) Conference, 6 September 2011, Bern

Why milk is beneficial for the elderly and how they consume it

2nd International FEED for Health Conference, 14-15 June 2010, Tromsø
